

Xuanyu - Was added PSYCH 1004. Has created env. roomt is emailing Tom to be guided how to approach Katherine.

SONA - is in system will look up instruction. Has almost completed lit review & will send to us early next week.

Piyush - Collected microphones 2 working fine. One Pavlok per phone, so will need addt'l phones. Piyush can borrow a friend's phone.

I said no confidentiality issues w/ the friend's phone because data is deidentified & is only test in any case.

Now free of assignments. Will be aiming to complete set up & be ready to do experiment in Wk6.

Distributing papers re: reinforcement today/tomorrow

Celine - Still on literature survey at this point & starting to envisage what sort of experiment.

→ Still waiting for 'walking is good' reference

Sabrina - Am getting more requests to set up SONA experiments need to sit XYZ & get educated on this.
