

Zi, Michelle, SC

28.8.19

Z: 1CONIP; student papers $47 - 3 = 44$ = 25 are done
send Tom their

→ TG to email them explaining
then Zi will upload

emails
some have day
fig, refs Zi will
change

→ TG to check which one he fixed

Munin: waiting for Wangji doc

Wangji doc & latest code needed

M: Wash. Post subscription: not every quote has a link

post fact

sometimes link is either, links not always
right, some
links to video
most have video links

" "s are 2-3 mins (also some fact
check analysis)
(need trimming etc - ? Emma)

* for Trump truth videos - may need to contact Wash. Post
directly

(ask for their methodology)
- draft how to w. examples

• rated the 91

low/med/high could trigger believability ~ mix low/med
day to day not v. personal & high
